Rabbit Village is a small  
Village. Many Rabbits  
lived there.

They were always dancing  
and singing.

Tap doo...  
Tap doo...  
doo..da..doo..da..doooo

A Little Rabbit and its  
Mother Rabbit lived  
there. Mother Rabbit  
goes for a little walk with  
the little one every night.

Little Rabbit was fond of the moon. He tries to jump up to reach the moon.

“Pump up...Legs up...Jump up | Pump up...Legs up...Jump up...”

Mother Rabbit wanted to help Little Rabbit. She carried him in her arms and raise up.

“Lift me up..mumma..  
I want to touch the  
moon”

Little Rabbit asked the birds to help him.  
Tweetie, a little Pigeon agreed to help him.

“Tweetie..Little Bird..Give me your  
wings..Help me fly to the moon”

Tweetie gave her wings to the Little Rabbit. Little Rabbit flew high above the tree. However, he could not fly beyond that. Disappointed, he came down and cried.

“Mom..I want to go and touch the moon..touch the moon..touch the moon...”

Mother Rabbit made a Hot Balloon for the little one to fly. Little Rabbit flew above the mountains. However, the balloon could not go above it. Disappointed, he came down and cried.

“Mom..I want to go and touch the moon..touch the moon..touch the moon...”

Little Rabbit flew a kite.  
He tried climbing on it.  
However, the thread was  
not strong.  
Disappointed, he came  
down and cried.

“Mom..I want to go and  
touch the moon..touch  
the moon..touch the  
moon...”

The crow was looking at the little Rabbit's plight. It bought a ticket to the little one. A ticket to travel in a Rocket to the sky.

The crow sang "Fly by the sky...up..up...Fly by the sky...up..up.."

Little Rabbit sat in the  
rocket.  
Flew through the sky. Up  
in the cloud.  
Saw the Moon.  
Touched the moon and  
sang,

“Moon..My  
Moon..White  
Moon...Come Home..  
lala...lala..lala..lala..”

and went to sleep.
